The Autry Ride

Equine VIP www.equineVIP.com will be filming the spectacular Autry Ride on April 10, 2010 to help build awareness for the first American Competitive Trail Horse Association sanctioned ride in this area. ACTHA sanctions Competitive Trail Challenges all across the USA – a six to ten mile ride with obstacles to test you and your horse.

The trail ride starts at the spectacular Autry Museum – the Museum of the American West and continues around the Los Angeles Zoo and the fabulous Griffith Park. Be a part of history as Equine VIP films the adventure.

Be sure to register at <http://www.actha.us> and learn more about all the prizes.
